

European Foundation for the Study of Diabetes (EFSD)

EASD Rising Star Symposium and EFSD Rising Star Fellowship Programme 2022

Objective	<p>EASD Rising Star Symposium and EFSD Rising Star Fellowship Programme EFSD</p> <p>The EASD Rising Star Symposium and EFSD Rising Star Fellowship Programme aims to identify promising and innovative young researchers who are developing their research activities in Europe. Selected candidates will have the opportunity to present an overview of their past and ongoing research activities during a multidisciplinary research symposium at the EASD Annual Meeting. The chosen candidates will be invited by EASD to present a lecture (20-minute lecture + 5-minute discussion) and will receive a commemorative diploma. Travel expenses, hotel and registration costs for the recipients will be covered.</p> <p>Furthermore, the award includes a research fellowship in the amount of Euro 30,000 payable to the recipient's institution.</p> <p>The objective of the research fellowship is to encourage innovative research in the field of diabetes.</p>
