

RESUMEN AYUDA I+D

Nombre de la ayuda	ERS Long-Term Research Fellowships
Organismo financiador	European Respiratory Society
Fecha entrega	El plazo de presentación finalizará el día 30 de Enero de 2017. Se presentará a la FIHM antes del 23 de Enero.
Descripción general de la ayuda, Candidatos y Propuestas	
<p>ERS funds and cofunds fellowship programmes to support scientists, investigators, clinicians and allied healthcare professionals in the early-stage of their career. They are awarded based on scientific merit.</p> <p>ERS Long-Term Research Fellowships (LTRF) are intended to advance and to develop skills in basic, clinical or translational research. The research project may involve basic experimental studies, clinical investigations, epidemiology or any other research area relevant to respiratory medicine. Applicants are encouraged to include a training component within their research project.</p> <p>Qualifications & Experience:</p> <ul style="list-style-type: none"> -Candidates should be actively engaged in the respiratory field. -Applicants must be postgraduates holding a university degree in any field related to respiratory medicine (MD, MSc, PhD, MD-PhD, PhD-Student). Applicants should be graduated with an MD, MSc or equivalent at the time of application. -Postgraduate scientists such as immunologists, biologists, geneticists, pharmacologists, biophysicists, chemists, etc. involved in respiratory science, are entitled to apply for the ERS Long-Term Fellowships. At a minimum, applicants should hold an MD or MSc at the time of application. -Qualified healthcare professionals (non-MD) working in respiratory health/medicine (nurses, physiotherapists, respiratory function technologists, allied respiratory professionals, etc.) are entitled to apply for an ERS Long-Term Fellowship. At a minimum, applicants should hold an MSc or equivalent at the time of application. -Candidates should have adequate fluency in the language spoken at the host institute. -Applications having been previously rejected may be resubmitted; they should be improved, where possible. <p>Candidates must be ERS members or hold a joint membership when affiliated with their respective respiratory national or regional society.</p> <p>The duration is between 6 and 24 months maximum.</p> <p>ERS will notify successful candidates in May 2017. Fellowships could start from August 2017. The last date for starting a fellowship should be early June 2018.</p>	
Financiación	
<p>Dotación: Fellowships encompass a living stipend, a child allowance and a travel grant. The living stipend cover costs related to food, accommodation, transportation, etc. The monthly rate vary per host country, see table 1. The living stipend is set in order to enable the stay in the host country only. The rate should be sufficient for covering the monthly living needs.</p>	
Procedimiento para la solicitud	
<p>Applications and all supporting documents must be submitted in English and online via the ERS Long-Term Research Fellowships webpage or via the following link:</p> <p>https://www.ersnet.org/professional-development/fellowships/long-term-research-fellowships</p>
